**Campus Election
Engagement Project
at Fairmont State University**

**You are invited to our forum:
Women in Public Service**

sponsored by the **Campus Election Engagement Project for Fairmont State University** and the **League of Women Voters Morgantown-Monongalia County**. The forum will to be held on Wednesday, October 24, 2018 on the campus of Fairmont State University, Hardway Hall Room 128 from 6:00-8:00pm.

Join us for an evening with Republican and Democratic women who are or have been candidates for political office to discuss issues that women face in the world of politics. Learn what inspired them to run, obstacles that they may have had to overcome, the importance of having more women in political office, how they can mentor and support new female candidates, and more.
