This letter came through the NAACP listserv and should be of concern to all:

Dear Midwest Civil Rights and Social Justice Stakeholders:

It comes as no surprise to communities of color that the amount of hate crimes reported to the FBI increased by 17 percent last year. Without a doubt, the racist and bigoted rhetoric emanating from the Trump administration has fueled the flames of hate and division in our nation.

<https://www.naacp.org/latest/naacp-statement-2017-fbi-hate-crime-report/>

WAPO: In the United States, right-wing violence is on the rise https://www.washingtonpost.com/national/in-the-united-states-right-wing-violence-is-on-the-rise/2018/11/25/61f7f24a-deb4-11e8-85df-7a6b4d25cfbb_story.html

The FBI has documented cities with more than 100,000 in population, either affirmatively reported zero (0) hate crimes – or did not participate in the hate crimes reporting program at all. We need State and local jurisdictions to fully report hate crimes activities to the U.S. Justice Department.

Specific Hate Crimes Advocacy Asks: We need social justice stakeholders to:

- 1.) please review the hate crimes reported in their respective states (attached) and assess the accuracy of reported hate crimes: Agency Hate Crime Reporting by State:
<https://ucr.fbi.gov/hate-crime/2017/tables/table-12.xls> [Note: There were 245 participating agencies in West Virginia; of those 20 agencies submitted incident reports and reported 31 incidents.]
- 2.) please support the “No Hate” and “Justice for Victims of Lynching” policies (attached) that will probably be reintroduced in the next session of Congress if they are not passed in this session

Defeat Hate Vote!!!

STATE-WIDE AND AREA EVENTS

Dear Friend of Fairness,

The 2018 midterm elections saw a number of victories for equality and have us at Fairness West Virginia feeling energized!

Fairmont voters made history when they resoundingly approved a Human Rights Ordinance with a resolution supporting LGBTQ nondiscrimination. It was the first time in West Virginia’s history that voters have approved an

LGBTQ initiative at the ballot box.

As you probably know, Fairmont City Council approved the ordinance last fall but a signature campaign led by an anti-LGBTQ Charleston activist resulted in the ordinance being placed on the ballot.

When the final vote was counted, 57.86 percent of voters approved the measure.

We want to recognize the local Fairmont supporters of inclusion who worked tirelessly knocking on doors and educating their neighbors about the need for this ordinance.

Fairmont is among 15 communities that have taken steps toward inclusivity of LGBTQ residents. Eleven communities have passed ordinances with force of law, and three have passed resolutions similar to Fairmont’s.

This is yet another example of the broad and deep support for an LGBT nondiscrimination state law. We've waited long enough!

Yours in Fairness,
 Andrew Schneider
